

Wood

Our popular Van Gogh collection captures the look and feel of real timber in a variety of colours and designs from traditional rustic to cool contemporary.

Large planks, distinctive grain details and a subtle texture creates a style that works in both residential and commercial environments.

The Van Gogh collection offers:

- Larger planks
- Beautifully authentic wood effects
- Subtle textures

The colour ranges in the Van Gogh collection offers a broad variety. From the pale tones of French Oak to the striking dark tones of Walnut, it adds style to any space.

Swatches are cut from an overall design, so decoration and shade vary. The random nature of natural materials, from which our designs are taken, means that significant colour and design variation is normal and enhances the natural look of our products.
